Brad,

I'm really glad we met this year. We've really had a great time together. I just wanted to say we didn't have the best but me we will never forget. I hope so. I know many people will see each other and everyone that would be very hard. Just keep up everything.

Bradly,

Welcome to Metairie High I am really glad I got to better this year. I am really glad you are on the youth council this year. If you thought convention was good wait till you get to youth council and conference you will ~~for the~~ Pensacola meeting. I hope we can "get to know" each other a little better on tour on the bus, in Washington D.C. at the Pentagon, at the Washington Monument. Wait till ~~February~~ Toni finds out. You are a special guy and good Christian.

Bradley, what if we didn't go on, wouldn't have you to go? No, I'm only glad we do have church be a bore. No, I'm really glad we do have fiddlin', but I'm so glad now I've gotter to know you. You're a real sweet guy and I'm really glad we get to sing together in "I'm a Blood Awa's for me". It will be great this year, we're gonna have a blast. I'll take care!

Brad,

Never forget all the good times we have had in the past couple of years! Remember Derman with "Mr. G.", homeroom with Mrs. W.J., and all your Soccer Games last year (those were the days!). I've really enjoyed knowing you & I hope you have forgiven us for rolling your eyes in 7th grade when I was a "juvenile <sup>delinquent</sup> delinquent"! Ha Ha! I hope to see you a lot this summer.

# Prove Panther Power

For the first time in eleven years, the Huntsville Crimson Panthers achieved the goal of every team — a city championship and a state play-off berth. Coach Paul Glover has waited a long time for the chance to carry THE PANTHERS to the regional play-offs. The talent and determination of this year's seniors and underclassmen proved an unbeatable combination for the Panthers. After an impressive start with a win over Scottsboro, the Panthers proceeded toward their first goal, that of once again defeating long-time rival Grissom. Their 27-6 victory showed their true talent and intention of reaching the top. With strong hearts and minds to fight the odds that stood against us, our fighting Panthers gained strong wins over city competitors Lee and Johnson. After a small letdown against Decatur, the HHS team grabbed a Homecoming win over Lincoln County and an out-of-town victory over Austin. After a loss to Hartselle, HHS held a strong record of 7-2, and had high hopes for the city title. With strong fighting and much team effort, the PANTHERS were victorious over the Butler Rebels 13-12. The City Title and a shot at the state championship — an unforgettable memory of our HHS team of 1979-1980.

# Experience Needed to Do the Job Right

Bomber Bishop — this is truly a name which will long be remembered by the athletic Department of Huntsville High. A four year veteran of the department, Bomber has done everything from running water to the field to washing uniforms and cleaning showers. His job was neither glamorous nor prestigious. No one shook Bomber's hand as he left the field, or patted him on the back for a job well done. But Bomber Bishop continued to dedicate his time and energy to the betterment of H.H.S. athletics, and for this he will always be remembered by the many coaches and players who, without the unending assistance of this quiet senior, would never have gone on to victory. Bomber's high intelligence (National Merit Semi-Finalist) and dry humor have made him a favorite among his classmates. Though shy and somewhat quiet, he has always given that extra something that has caused people to look twice and think highly of Bomber Bishop. Upon his own initiative, Bomber wrote a computer program which enabled him to keep Coach Glover up to date concerning the statistics of each individual player on his team. Dedication, initiative, pride, and intelligence — these are the qualities of which a truly great man is composed. These are the qualities of which senior Bomber Bishop is composed.

Behind every strong team stands the support of friends and family; but those who walk beside our teams with high hopes of victory and unending spirit are our cheerleaders. The work and effort of all these girls and the stuntmen of our varsity squad should be greatly appreciated; but just as a strong team is guided by a good coach, a good group of cheerleaders is supported by a great sponsor. Through Doris Keathley's undivided attention, the Varsity Cheerleaders worked their way to national competition and have cheered our teams to many wins and an all together great season.

RETURNING STATE CHAMPIONS — Mary Priest, Number 2 Singles; Phyllis Priest and Jenny Rhoads, Number 2 Doubles.

This could be the year for a "first" for Huntsville High: two State Tennis Championships in 1965. With returning lettermen Jeff Belrose, Benji Walker, Frank Slupe, Scott Averbuch, John Watts, and Bob Slupe, the Panthers could go all the way again in 1980. Their toughest rivals for the State Title will probably be Talladega, McGill-Toolen, Tuscaloosa, and local rival Grissom. The girls team, State Champion in 1978 and State Runner up last year, will again have good depth with three returning state champions, Mary Priest, Jenny Rhoads, and Phyllis Priest. The girls toughest competition will be defending State Champion Mountain Brook, McGill-Toolen, and Vestavia. Both boys and girls are defending City and Section Champions. The girls have won six straight City and Section Championships, and the boys have been City and Section Champions four of the past seven years.

# Together to Organize Activities

## HUNTSVILLE HIGH SCHOOL

### SENIOR ADVISORY COUNCIL

We came in September of 1976, a little apprehensive but very excited. We were Freshmen.

We have shared memories that will last for the rest of our lives. Homecomings, Sophomore Calendars, Beauty Walks, pep rallies, Pancake Days, football games, Ugly Walks, Hickey Days, proms. All these activities have made lasting impressions, especially the ones from this past year. The trip to Six Flags, magazine sales, the Masquerade Party, Ambition Day, Baccalaureate, and Graduation have been the high points of our Senior year.

In the past four years, we have grown in many ways. As a unified class, we have proved to be stronger than any other class before our time. Out of 475 students will come future leaders of all kinds: from artists to businessmen, from athletes to scholars.

We are ready for the future and whatever it may hold. Here are the Seniors of 1980 . . .

the delicate threads of dreams  
woven into reality, occasionally suffering  
a minute tear.*

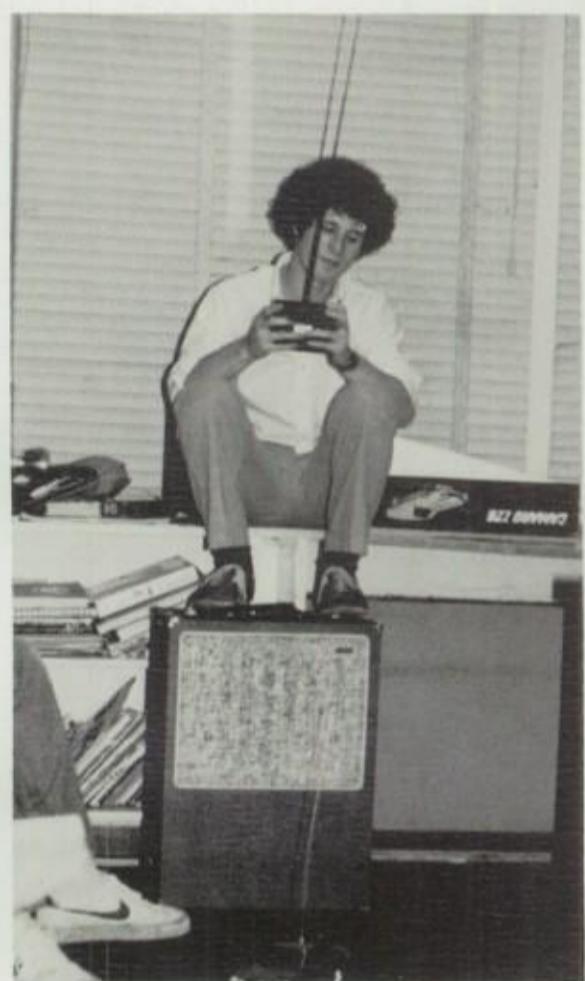

*We have felt tears on our faces;  
shed for those around us, whom  
we could gather in the comfort  
and security  
of friendship.*

*Facing us now is the imminent release  
from paternal bonds, the frightening  
and exciting feel of carefully nurtured wings  
at our shoulders.*

*Within, our desires of fulfillment are steering us  
to different paths like  
a persistent, confused wind.*

*Ready for anything, we can leap from this  
precipice, without fear,  
and take flight.*

*For through misty tatters of clouds we  
see mountainous visions  
of what lies before us.*
